Legal Department.

In place of the Department's draft at page 49 ante, two separate revised draft notifications are sent herewith, as two sets of rules were issued under two different Acts and contain different provisions.

2. As stated in the last but one paragraph of the Preface to the Tagavi Manual, the rules printed at pages 13 and 46 of the Manual are not the same as published in the Gazette. The revised drafts provide for amendments to the rules as published in the Gazette and reproduced at pages 199 and 230 of the Local Rules and Orders, Volume II, Fifth Edition of 1944.

3. Instruction No. 7 printed at page & 52 of the Tagavi Manual does not form part of the statutory rules. Its amendment cannot be included in the proposed notifications. Separate executive orders may be issued for amendment of the said Instruction.

4. The proposed amendments do not require previous publication.
